Wibeit Child Safety and CSAE Policy

Effective Date: 20th August 2025

This page contains Wibeit's Published Standards prohibiting Child Sexual Abuse and Exploitation (CSAE)

Introduction

Wibeit is committed to maintaining a safe, respectful, and secure environment for all users. We maintain a **zero-tolerance policy** against any form of **Child Sexual Abuse or Exploitation (CSAE)**.

This policy outlines the measures Wibeit takes to prevent, detect, and respond to activities that violate child safety standards, in compliance with **Google Play's Child Safety Standards** and **international child protection laws**.

---

1. Age Restrictions and Eligibility

- Children under **13 years of age** are not permitted to use Wibeit.

- Users aged **13 to 18** may use Wibeit only with **parental or legal guardian consent**.

- Wibeit may take reasonable steps to **verify age or consent** when required by law.

- Accounts found to be in violation of these requirements may be **restricted, suspended, or terminated**.

---

2. Prohibited Activities

The following activities are **strictly prohibited** on Wibeit:

- Sharing, promoting, or distributing any content that **depicts or sexualizes minors**.

- **Soliciting or requesting** sexual material involving minors.

- **Grooming** or attempting to exploit minors in any form.

- Distributing **links, files, or materials** related to CSAE.

- **Impersonating minors** or facilitating harmful activities involving minors.

Any user engaging in these activities will face **immediate account termination** and may be **reported to law enforcement authorities**.

---

3. Enforcement and Reporting

Wibeit enforces strict actions against any CSAE-related activity. Accounts or content violating this policy may be removed without prior notice.

We **fully cooperate with law enforcement agencies** and child protection organizations where legally required.

If you encounter any suspicious, abusive, or harmful content, please report it immediately:

- **Email:** privacy@wibeit.co

- **Support:** support@wibeit.co

Please include any relevant screenshots, chat IDs, or timestamps to assist our moderation team in investigating effectively.

You can also report content directly from within the app by selecting "Report" in the conversation options.

---

4. Moderation and Safety Measures

Wibeit uses advanced tools and community systems to maintain user safety, including:

- **In-app reporting and blocking** features.

- **Manual and automated review systems** to detect violations.

- **Immediate removal** of harmful content where technically possible.

- **Secure data preservation** for lawful investigations.

- **Regular safety audits** to align with global child protection standards.

These measures ensure that Wibeit remains a **trusted platform for private and secure communication**.

---

5. Commitment to Lawful Cooperation

Wibeit complies with all applicable **local and international child safety regulations**, including **COPPA**, **GDPR-K**, and other global child protection frameworks.

We cooperate with **law enforcement**, **online safety organizations**, and relevant authorities to identify and address any cases involving CSAE, while upholding user privacy and data protection principles.

---

6. Parental Guidance

Parents and guardians are encouraged to:

- **Supervise and guide** their children's online activities.

- Promote **safe communication practices** and responsible use of Wibeit.

- Report any concerning behavior or content via official Wibeit support channels.

Wibeit promotes **digital wellbeing** and encourages families to maintain a healthy, safe online experience.

---

7. Policy Updates

This policy may be updated periodically to reflect changes in **laws, technologies, or safety practices**.

Any updates will be posted on this page. Continued use of Wibeit after such updates constitutes acceptance of the revised policy.

---
