At Wibeit, we are committed to providing a safe and secure environment for all users, especially children. The following measures outline how we protect minors using our services.

## 1. Age Restrictions

Children under the age of 13 are not permitted to use Wibeit.

Teen users between the ages of 13 and 18 must have the consent of a parent or legal guardian before using the app.

We may take steps to verify age or parental consent when legally required.

Accounts found to be in violation of these requirements may be suspended or terminated.

All conversations are secured, ensuring privacy and protection.

In-app reporting tools are available to flag harmful, abusive, or inappropriate content, which our team reviews promptly.
